COX Connect2Compete.

Dear Parent or Guardian:

We are prepared to for a digital learning environment for your student (s). We've partnered with Cox to connect students that do not have an internet connection at home through their Connect2Compete program. This program will ensure your student (s) continue learning at home.

The Cox Connect2Compete program is available to families who:

- have at least one child that attends Trinity Academy for the Performing Arts (TAPA),
- participate in one of these government subsidy programs: The National School Lunch Program, SNAP, TANF or Public Housing
- are not a current Cox customer

If your household meets these criteria, you may qualify for discounted home internet service from Cox for just \$9.95 per month. For a limited time for eligible customers, Cox is offering the first month free and access to a free month of remote helpdesk support to provide peace of mind and easy access to new technology.

There are no deposits or annual contracts with Connect2Compete, and installation with in-home wifi equipment is included at no additional charge. Cox is also working with PCs for People to provide discounted, refurbished computers for eligible families.

Find out if you qualify by visiting www.cox.com/c2c, or email <mailto:connectnow@cox.com>.

Sincerely,

Elizabeth Richards-Hegnauer
Head of School
