

3/20/20

Dear Upper School Students,

You will be receiving information regarding TAPA's Distance Learning Plan for the next two weeks. Attached are some [Guidance-Related Frequently Asked Questions](#) related to Distance Learning, and below are some specific upper-school updates.

**1) Tutoring Block, College Prep Block, and Dual Enrollment Block:**

- a) 12th Grade: Check the [12th Grade College & Career Prep Google Classroom](#) daily for important announcements and assignments from Ms. Bryant.  
→ Dual Enrollment students: CCRI Classes resume ONLINE this Monday, March 23rd. Please make sure you are checking your CCRI email for login info and attend all classes.
- b) 11th Grade: Check the [11th Grade College & Career Prep Google Classroom](#) for resources and updates. There will not be required assignments or Magoosh tutoring in the first week of distance learning.
- c) 10th Grade: Check the [10th Grade College & Career Prep Google Classroom](#) for resources & updates. There will not be required assignments or Magoosh tutoring in the first week of distance learning.
- d) 9th Grade: there will be no Tutoring Block assignments at this time.

- 2) **Spanish Class for 10th & 11th Graders:** given the nature of Distance Learning, and our Spanish curriculum's heavy emphasis on speaking, there will not be formal daily assignments for Spanish class at this time. Thanks to Profe, you have already completed a higher level of Spanish content than students anywhere around -- as evidenced by TAPA students' incredible success rate on the Seal of Biliteracy exam, which the Heritage 11th class just completed! -- and we are very proud of your work. You will not lose credit during this time.

However, Profe, Ms. Bryant, and baby Profe (Henry!) **do** encourage all students, both heritage speakers and not, to use your Spanish knowledge daily to speak with your family and friends, and to take in the daily media.

You are always welcome to email me with any questions.

We miss you!

Ms. Bryant
