

TAPA STATEWIDE DATA

Data is based on RICAS, PSAT & SAT DATA

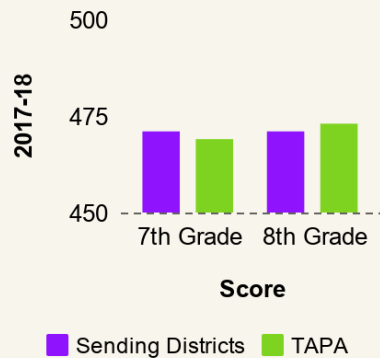

TAPA is committed to ensuring our students are receiving the highest level of academic resources and support. Most of our students start TAPA at 7th grade coming from Providence Public Schools, so the charts below will show how TAPA is doing in comparison to sending districts.

TAPA MIDDLE SCHOOL DATA

ELA Data

Math Data

TAPA Middle School students performed above sending districts in both 7th & 8th grade English Language Arts

TAPA Students performed slightly below sending districts in 7th grade math, but above sending districts in 8th grade math.

Support & Intervention

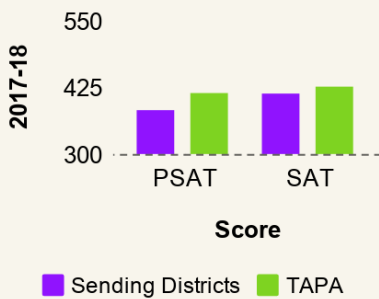

TAPA is proud of the growth our students make each year, but we realize the need to do more. So, starting December 1st we are committing to improving our scores by:

- Focusing curriculums on Common Core Standards that need improving
- Having bi-weekly academic check ins with students.
- Implementing Math & ELA interventions & support
- Working with the Center for Leadership and Educational Equity (CLEE) & The Bill & Melinda Gates Foundation to improve Algebra scores.
- Supporting teacher professional development & pedagogy during PD days, Lead Teacher meetings & Departmental time.

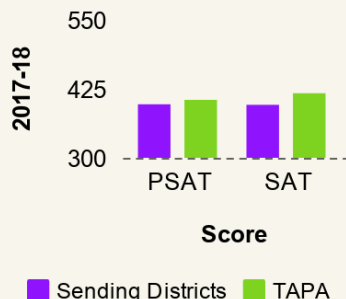

" THE LONGER A STUDENT STAYS AT TAPA, THE BETTER THEY PERFORM ON STATEWIDE EXAMS"

TAPA HIGH SCHOOL DATA

ELA Data

Math Data

By High School, TAPA students outperform PPSD students in both the PSAT & the SAT.

100% of TAPA graduates have been accepted into *higher education*

Supports & Achievements

By High School, TAPA students outperform districts of similar demographics. Currently we have:

- Graduates who received a net total of roughly over \$2.5 Million in Financial Aid for College
- JR's and Seniors who are enrolled in Dual-Enrollment classes (College classes while at TAPA).
- AP Class offerings (we are working on expanding our options)
- A statewide arts seal added to all graduate diplomas
- Access to resources and supports even as an Alumni
